You get two because you helped shovel
For real?!
I helped too you know?
You're the best!

Ah! Atsushi's older sister
Welcome back!
YOU'RE IN THE WAY!
It's totally mine!
Since when was it your spot?
Mom
Move it!
And give me back my winter coat!
But this is Aunty's!
Anyway,
You're camping out here way too often, Yousuke.
Huh? What's wrong with that?
Well, it's more like,
Atsushi keeps making a fuss when you're here
What?!
I do not make a fuss!
See? There you go!
It's like having two little brothers. Double the annoyance.
...

No, it would not! way!
That'd be nice!
Good idea!
What would?
I don't need your goofy eyes!
Anyway
Things will have to change if I get a husband
Huh?
Why?
Ugh, you're right
Shouldn't have said that I feel sick now
What was that?
Won't happen! Nah!
But it would be a different story if we got married

munch munch
Well, duh
Having my little brother and his friend constantly hanging around? How weird would that be?

But you don't have a husband...
It'd be even more of a problem if Atsushi were to get married...
Me?!
Huh?!
Oh, actually...
He won't.
Anyway, I'll have to leave too, when that time comes
Who knows when that'll be...
If you want to take over the family name... you'll need a wife and kid...
How did we even get to this?!
Wait a-
It's not like this is coming out of nowhere
The hell you talkin' about?!
Ugh
Don't drag me into this!
shiver
shiver

Atsushi won't marry, so...
Huh?
He'll be with me forever, so...
...nothing has to change
Whoa.
He's red
Is he...
Is that a proposal I hear?
Ugh

WHO

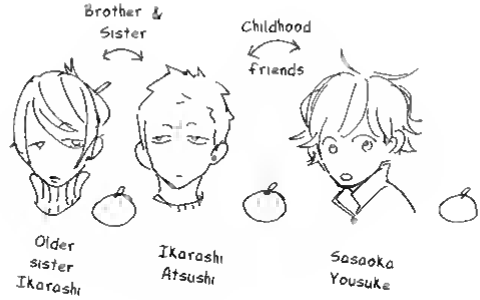
CATCH
THE
WINTER
COLD?



Nice to meet you I'm Hayakawa from Tapica
Thank you for taking the time to read "Winter Cold."
This is an original BL (Boy's Life/Love?) book.
I'm disappointed that I never got to draw the four boys on the front cover
I hope you enjoyed the Yousuke/Atsushi pair, even just a little!

Hayakawa

Sasaoka Yousuke, absent
Well, what do we have here?
Nah, he caught a cold
Whoa, that's rare
Kosuge!
And a fever
It's not even summer yet What happened?
Oh!
It's Oomiya-san!
Is Sasa skipping out?
Sorry, just gimme a sec
Well they were voted this year's best couple
The Kosuge & Oomiya Pair
Feels like they'll announce that they're engaged any day now.
Also runner up in the cross-dressing competition
See ya

He'll be with me forever?
What's with that?
Why wouldn't I get married?
And wasn't that actually pretty rude?
Maybe the fever went to his head
Get up already, Satou! Give me back my notes!

冬風邪は誰ガ引く
topica.2012.12

冬の話を描きたかったので。
こたつ＋袢纏＝最強。

I heard the news from Suga
So Sasa's down with a cold?
I know it's not much but take these cough drops with you
You're gonna go check on him, right?
This guy here won't shut up about it.
I'll send him a get-well message too
We're busy with practice today, so thanks a bunch.
Mind also taking this with you?
I'm worried
I know, right?
Isn't that the first time he's been absent?
Tell him to get well soon for me
RUSTLE
RUSTLE
Just what kind of relationship does everyone think I have with him...?
You're his guardian, obviously
What, did it hit you just now?
Not that I didn't plan on checking on him, but...
